Meet the Principal:

My name is LaCest Campbell and I am very excited to continue my journey here at Oakshire Elementary School for year two. I am proud graduate of Nicholls State University and a high school graduate of McComb High School, McComb, Mississippi. I have 22.5 years of experience in education and in the Terrebonne Parish School District. I have been at several different schools in Terrebonne Parish over my 22.5 years. I taught high school for 10 years, one year at HL Bourgeois High School and 9 years at Ellender Memorial High School. The other schools that I worked at in the district, I served in the Master Teacher or Assistant Principal roles. Those schools consisted of Gibson Elementary School, Greenwood Middle School, Oaklawn Jr. High and Caldwell Middle School. I served 6 years as Gibson Elementary School's principal. I also worked as an Adjunct Math Professor for Fletcher Technical College for 9 years.

Open House is scheduled for August 23, 2023 at 6pm, and I am looking forward to meeting our parents and I want to encourage all of you to join PTC to help us have a wonderful school year. We are making more adjustments to the PBIS system for students and staff. We had a fun filled school year last year, and we are looking forward to another great year. We will take pride in providing the children of Oakshire the best quality education. I understand that a child receiving a quality education can change their future for the better. I will be working with the staff to ensure parents feel welcome and are comfortable to assist us with educating their children. Be on the look out for Literacy and Math nights during the school year. Feel free to contact me at the school if you have any issues or just want to let me know how we are doing throughout the school year. My phone number at school is (985) 876-1162.

Assistant Principal News:

Welcome Back! I am Sherry Kraemer. And this is my 6th year at Oakshire. I have been in education for 23 years and have taught many different grades. I have a Bachelor Degree in Elementary Education and a Masters Degree in School Leadership. I truly missed the students and parents during our Summer Break. PBIS is focused on rewarding students for positive behavior and choices they make daily. We will have a PBIS event this month for all students. We have activities planned all year for the students, which we know they will enjoy. Students will have cards that their teacher will sign daily to earn entrance to PBIS events. Grades Pre K to 2nd will earn 11 signatures and 3rd to 6th will earn 77 signatures to attend an event. The difference in signature amounts are due to the upper grades having more teachers and class periods than the lower grades. As always, if a child receives a referral he/she is exempt from attending the event. We are excited to offer new activities to the students.

At Oakshire, we are building our foundation one brick at a time, one academic skill at a time, and one kid at a time!

Intervention Content Leader News

Hi, My name is Tara Portier. I will be the Intervention Content Leader (ICL) at Oakshire this year. This will be my 24th year teaching. I am a Nationally Board Certified Teacher and a certified Mentor Teacher. I have my Masters in Educational Leadership. Last year was fabulous, and I can't wait to move farther this year. I can't wait to see the students earn bricks as they work towards their goals. I am looking forward to a GREAT year at Oakshire as I share my passion of teaching and learning to everyone here. Throughout this month your child will be taking ELA and math Benchmark assessments so we can determine the best plan of action for your child to be successful.

Counselor News

Hello! I am your School Counselor, Leshecca H. Norman. This will be my 28th year in education, with 10 years as a Pre-K teacher and 16 years experience as a school counselor already. I am also a Licensed Professional Counselor (LPC). I am happy to have you all back here for this new and exciting school year! Together we will learn and grow! I enjoy working with children and families and helping everyone to grow to their full potential. Throughout this year, our students will be enriched with social skills through various lesson topics. Parents you are more than welcome to contact me, if you have any questions or concerns.

Reminders:

- Car riders are issued student pick-up tags which must be on display when student is picked up.
- Students cannot be checked out after 3:25 PM.
