

## PROFESSIONAL ORGANIZATIONS

The Terrebonne Parish School Board shall deduct monthly dues for employee organizations having 50 or more members.

Each organization shall provide the Board with a valid written authorization from the employee. Authorizations submitted to the Finance Department by the tenth (10th) of any month shall become effective by the next pay period. The organization's annual dues deduction shall remain in force from year to year unless the employee revokes the authorization in writing. The employee organizations must agree to notify the Superintendent or the Finance Department of annual dues changes by August 15 of each year.

The School Board shall assume no responsibility for the collection of dues after the employee has withdrawn authorization.
