

## SOLICITATIONS OF/BY STUDENTS

It is the policy of the Terrebonne Parish School Board that students should not be the target of any person engaged in the act of selling goods or services except in the senior high levels for graduation related items and for the annual school pictures in all grade levels. Therefore, no person or organization, whether profit or non-profit, shall conduct sales of candy, cakes or other food items or any type merchandise on the school premises except after approval by the Superintendent.

Formal fundraising drives of a school or a parents' club will be exempt from this policy.
