

LEASING OF EQUIPMENT

DRIVER EDUCATION AUTOMOBILES

1. The Board shall invite all area automobile dealers to participate in the providing of cars for the driver education program.
2. The Superintendent shall notify all automobile dealers that the Board will accept applications from those dealers who wish to participate in providing courtesy cars at the senior high schools for use in school-sponsored activities.
3. All driver education instructors are permitted to take their driver education cars home at the close of the school day.
