

EQUIPMENT MAINTENANCE

The Terrebonne Parish School Board shall be responsible for the maintenance, repair, and care of all equipment, vehicles, and any used or unused items in or on School Board property. The School Board shall delegate responsibility to the Superintendent to properly maintain all such property and equipment. The Superintendent shall make sure that the care of such property or equipment complies with applicable laws, ordinances and regulations, including building and fire safety code regulations, until such property or equipment is sold, leased or otherwise disposed of by the School Board.
