5. Matter Pertaining to the Adoption of the following Resolution Declaring a State of Emergency, as it Relates to COVID-19 (coronavirus):

**TERREBONNE PARISH SCHOOL BOARD**

**RESOLUTION**

**DECLARATION OF PUBLIC EMERGENCY**

**COVID-19**

**WHEREAS** on December 31, 2019, officials in China alerted the World Health Organization (“WHO”) to several cases of an unknown respiratory illness primarily concentrated in the city of Wuhan, Hubei Province; and

**WHEREAS** after further investigating the illness and ruling out the recurrence of other previously-known viruses, officials, on January 7, 2020, announced the discovery of a new virus belonging to the coronavirus family of viruses (“COVID-19”); and

**WHEREAS** over the following weeks, the Chinese government began to report additional cases of the virus, evidencing a propensity of the virus to spread throughout China and beyond; and

**WHEREAS** by January 30, 2020, approximately eighteen countries, outside of China, were reporting cases of the virus, causing the WHO to declare the virus a “Public Health Emergency of International Concern;” and

**WHEREAS** over the following weeks, the virus continued to spread to nations around the globe, infecting thousands of individuals; and

**WHEREAS** on March 11, 2020, the WHO declared the coronavirus outbreak a “Global Pandemic;” and

**WHEREAS** on March 11, 2020, the Governor of the State of Louisiana declared a “Public Health Emergency” over the coronavirus outbreak; and

**WHEREAS** on March 13, 2020, the President of the United States of America declared a national emergency due to the coronavirus outbreak; and

**WHEREAS** in an attempt to combat the spread of the virus, the Governor, on March 13, 2020, ordered the closure of all public elementary and secondary schools in Louisiana, beginning on March 16, 2020, and ending on April 13, 2020; and

**WHEREAS** many children depend on the services of the Terrebonne Parish School Board for essential services such as the provision of healthy meals; and

**WHEREAS** while the cancellation of school will hopefully serve to combat the spread of the virus, such cancellation may put children at risk of not receiving enough healthy meals during the prolonged closure; and

**WHEREAS** the spread of the virus and its impact on the everyday lives of the School Board’s students, faculty, staff, and their family members requires the School Board to take unprecedented steps to combat the spread of the virus and to serve the children of Terrebonne Parish; and

**WHEREAS** the sudden closure of all schools until April 13, 2020, or later has also caused confusion and concern to employees of the school district about their ability to continue to be able to support their families through receipt of compensation from the School Board.

**NOW, THEREFORE,** the above recitals considered, the School Board desires to utilize its assets in the fight against the coronavirus, as more fully set forth below.

\*\*\*\*\*

**CoronaVirus Precautions**  
03/12/2020  
Message From Superintendent Martin ~

Dear Parents,

The Coronavirus has become a health concern worldwide. Although there are no cases in Terrebonne Parish, we will follow precautions as advised by the Center for Disease Control (CDC) and our local and state health officials.

Currently, the protocols are very similar to flu precautions:

- Cover coughs and sneezes
- Wash hands often
- If sick, stay home - (Absences due to illness are excused with a parent letter up to 10 days per school year, doctor excuses are always excused)
- Avoid sharing personal household items such as cups, glasses, and eating utensils
- Cleaning/disinfecting of frequently touched objects

Your child's health is our highest priority. The school district will continue to closely monitor this situation and take all appropriate actions as needed.

Sincerely,  
Phillip Martin

**SECTION 5:** The Louisiana Legislature is hereby requested to consider a suspension resolution which would allow for the suspension of any legal requirements to ensure the continued operation of state and local government, including such issues as legal deadlines and quorum requirements for open meetings.

**SECTION 6:** For the purpose of this executive order, "emergency-related claims" shall mean claims for unemployment compensation filed by persons whose unemployment is directly due to the impact of COVID-19 or due to their inability to get to their job or worksite because they are sick, isolated or quarantined, caring for a sick family member, or when an employees' child's school is closed as determined by the administrator of the state's unemployment compensation program, i.e., the executive director of the Louisiana Workforce Commission. Emergency-related claims will not necessarily include all claims in all parishes included in COVID-19 proclamations, declarations or orders.

**SECTION 7:** The following statutes relative to unemployment insurance are hereby suspended to the extent and in the manner described below:

- A. La. R.S. 23:1533, which provides for claimants' benefits to be charged against base period employers for purposes of employers' tax experience rating and the protesting of such charges by employers, shall be suspended for emergency-related claims made during the effective period of this Order.
- B. La. R.S. 23:1552, which provides for the charging of claimants' benefits to certain employers, shall be suspended for emergency-related claims made during the effective period of this Order.
- C. La. R.S. 23:1600(2) and (3) shall be suspended while this Order is in effect for emergency-related claims to the extent that they require claimants to register and search for work, but the requirements in La. R.S. 23:1600(2) that claimants continue to report at an employment office in the manner prescribed by the administrator, and in La. R.S. 23:1600(3) that claimants be able to work and be available for work, are not waived. The requirement to continue to report at an employment office, which is accomplished through either an automated telephone system or the Internet, is not impractical and avoids overpayments, which claimants would be liable to repay. Such activities are not practical by an individual who is impacted by COVID-19.

**SECTION 8:** Any organization licensed by the Louisiana Department of Revenue Office of Charitable Gaming to conduct games of chance pursuant to the Charitable Raffles, Bingo and Keno Licensing Law shall not be authorized to hold or conduct any sessions as defined in La. R.S. 4:740 for the period beginning Friday, March 13, 2020 and ending on Sunday, April 12, 2020.

**SECTION 9:** All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this event.

**SECTION 10:** This state of emergency extends from Friday, March 13, 2020 to Thursday, April 9, 2020, unless terminated sooner.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 13<sup>th</sup> day of March, 2020.

### 03-16-2020 ~ PARENT UPDATE

March 16, 2020

Dear Parents,

During this unsettled and disturbing time, there are many questions. I want to address questions that we do have answers for.

#### GRADUATION

As of this time, graduations are continuing as scheduled.

#### SCHOOL EVENTS

There will be no school activities between now and Monday April 13. This includes the ACT, practices, rehearsals, or any other gathering.

As of now, all events currently scheduled after April 13 are still scheduled.

#### MAKE UP TIME

The Governor has waived minimum instructional time as required by law. As a result, the next 4 weeks there will be no school. The week after that (April 13 – 17) was scheduled Easter Break, making 5 weeks of school students would miss. Depending upon the course this virus takes, and should health concerns allow, we will have to consider returning to school on Monday April 13. However, that decision has not yet been made.

The goal of this state-wide closure is to minimize contact and interaction with others. As a district, we will adhere to that when and where possible.

Please refer to the TPSD website ([www.tpsd.org](http://www.tpsd.org)) and district Facebook page for updates.

Dear Employees,

During this unsettled and disturbing time there are many questions. I want to address the questions we do have answers for:

**PAYROLL**

The district is committed to protecting your income. The payroll department will work all week to make sure payroll happens for the March payroll and in the future. Employees who are not currently on Direct Deposit will receive their paycheck in the mail at the address on file with the district. In order to assure this, I will need your cooperation. For the next 4 weeks, schools will be closed. During this time, employees will be asked to continue work-related tasks when and where possible.

The following are examples:

**Teachers:** During this time, working from home will provide you with the opportunity for planning, lesson design and preparation, curricular assessments and evaluation, preparing student instructional materials, and other tasks related to instruction. Email accounts will remain open for teachers or groups of teachers to assist in these endeavors.

**Administrators:** Administrative staff, both school and district levels, have many functions that will continue during this time. Examples: Payroll is a complex and detailed task that requires the efforts of many. This will continue. Communicating with and coordinating essential functions at your assigned work site will continue – coordinating building checks, freezer checks, status of the campus, and any urgent building needs that may arise during this time.

**Maintenance & Custodial Staff:** Building maintenance needs will continue and will require personnel to address them. Frequent building checks, freezer checks, emergency repairs, and complete building disinfecting will be required.

**Bus Drivers:** Disinfect buses and bus checks as directed.

**Child Nutrition Staff:** Clean and disinfect the kitchen and cafeteria areas as directed.

*Various categories of employees will be directed by their immediate supervisors with work-related directions as needed.*

**MAKE UP TIME**
