

**CLASS RANKINGS**

The School Board, in order for class rankings to be determined on a uniform and consistent basis throughout the schools of Terrebonne Parish, shall identify and certify the achievement of those students in each graduating class. Each school shall determine the student rank in each graduating class by dividing the total number of quality points earned by each student by the total number of high school credits completed. Foreign exchange students and other non-residents shall not be counted as members of the graduating class for the purpose of class rankings.
